

D. Regular Business:

1. *Rules for Construction and Interpretations for Electrical Inspector*

Work requiring permits and licensing (**Waverly Code, Section 92.6 and 92.11 item 2.b.**)

The Board discussed these two code sections regarding what scope of electrical work requires a permit and licensing. The Board questioned **Section 92.11 item 2.b.** and the conclusion was to potentially try and repeal this paragraph. Secretary Wedemeier will look into the procedure required to repeal an ordinance.

2. *Recommendations for Amending and Administering Electrical Code*

No items for amending

3. *License Board for Electricians Working in Waverly, Iowa*

- a) Michael J. Miller who is employed by Ross Electric of Cedar Rapids is requesting a journeyman electrician's license (**Waverly Code, Section 92.12 Item 3**).

Mr. Miller spoke on his behalf to the Board regarding his experience and qualifications as an electrician. He provided documentation from building officials in other jurisdictions and a letter stating his service on the Cedar Falls, Iowa Board of Electrical Examiners. After reviewing the application and discussing the **City of Waverly Code of Ordinances** the Board determined a temporary journeyman license would be allowed versus a permanent journeyman license.

Suggested Motion:

Motion By: Kramer

Seconded By: Elsamiller

Approve a temporary journeyman electrician license for Michael J. Miller of Ross Electric for only work performed on and during the construction of the Bartels Lutheran Home (C.C.D.I) Unit.

- b) Terex Cranes is requesting an annual industrial permit  
**(Waverly Code, Section 92.9).**

The Board discussed the application and the ordinance. By not having a journeyman electrician on staff, Terex is not in compliance with the city ordinance. A letter will be sent to communicate a request by the Board for Terex to become compliant prior to approval of their 2002 application.

Suggested Motion:
