Be sure and browse our Local and Family History section here in the library for many new materials that have recently been added. This includes some new DVDs and books!!!

The Waverly Public Library has been gifted recently with some memorial monies. We greatly appreciate the families thinking of us in their sad times.

*Mr. Carl Dillon's mother, *Margery Dillon's estate* has donated money to the library's garden endowment fund.

**Mr. David Bean's family* has donated money for books as David was a frequent library user.

*The Waverly Garden Club has donated 2 gardening books in memory of *Burniele Wylam.*

THANK YOU!

Watch for new construction coming this Spring...

Friends of the Waverly Public Library, Waverly Public Library Foundation, Waverly Community Fund and a private donor, Susan Johnson have joined together to build a **public pedestrian bridge** between the library's gardens and Waverly Childcare and Preschool parking lot.

April is Celebrity Readers Month here at the Library.

Throughout the month of April, the Friends of the Waverly Public Library sponsor local "celebrities" to come into the library and read to school classes. People such as the Waverly Chief of Police, the manager of Hy-vee, a local farmer, and retired teachers are among our celebrities coming this year.

These people take time out of their busy days to help teach children about their jobs and to reinforce that reading is important to them and in life. They emphasize that reading is more than something your teachers or parents tell you that you have to do, it can be enjoyable and fun too! A bonus of the visits is that the children get to meet these local celebrities and ask about their career choices too. Last year the Fire Chief even brought in a child size fire suit for them to try on!

One more way your library is reaching out to your children and helping to build readers of tomorrow!
