BEYOND THE BOOKS

Did Santa bring you an iPod or other MP3 player this Christmas??? Looking for a good book to read, but have no time in your schedule to read one? How about a downloadable book from the Waverly Public Library? We have a database of downloadable books, **NEIBORS**, as part of our collection. Just visit our website, <http://www.waverlyia.com/wpl>, day or night, and browse the collection, set up an account and start downloading to listen while you clean, walk, drive, wherever you can squeeze in a good book. If you have trouble, check out our video tutorial available from the website, or call to schedule some one-on-one time with one of our staff for help in getting started.

Also, if you are in looking for CD-Books and are finding you've heard our selection already try **NEIBORS**, too. You can download to your computer and then burn to a CD and voila, a CD-Book for your car.

NEIBORS @ your Waverly Public Library

We would like to all thank those individuals who generously shared some of their Holiday Goodies with the staff here at the Library. We enjoyed the treats immensely.
Now we're all talking about new exercises and joining walking teams, etc. If you are finding yourselves in a similar predicament, come on in and check out our weight loss section. We have lots of books and videos to help get you moving.

Genealogist Fridays

Doing Family Histories and getting stuck? We have a solution for you. Every **Friday at 1:00 p.m.** the Bremer County Genealogist Society has a member available here at the Waverly Public Library for questions and research! This is a free service provided by the genealogists themselves and the Waverly Public Library.

Coming January 1st ...

The Bremer County Genealogists have purchased the database *Access Newspapers* for one year for the library and all our patrons. From this database you can view, print, or save full page newspapers from 1759 – 2006 from thousands of papers anywhere in the U.S., United Kingdom, Canada or Jamaica, Denmark, Germany, Japan, Ireland & South Africa, too!!

THANK YOU GENEALOGISTS!

We will be offering mini classes on how to use this database. Call and register for a time.

Classes:

Saturday, January 17, 2 – 3 p.m.

***Tuesday, January 20,
2 – 3 p.m. & 6 – 7 p.m.***

***Thursday, January 22,

The Waverly Public Library is creating a *Year of Joy*. January is the *Joy of Photography*.

To celebrate the Joy of Photography, part of the Waverly Public Library's Year of Joys, the library is hosting a photo contest. The contest is open to the public and prizes will be awarded to winners judged by a professional photographer, Nichole Priebe, as well as a people's choice winner, judged by the public and a staff pick. Entries may be turned in at the library before the deadline of January 23rd. Entries should be in the form of an 8x10 matted photograph. The photos will be put on display at the library and winners will be announced at the end of January.

Thank you to Nichole Priebe in advance for all of her help in this project.

Did you get a new camera for Christmas? Or have you recently decided to dust off your old one and try your hand at some interesting nature shots? You might want to browse our photography section. We have materials ranging from scrapbooking your photos to how-to videos, portrait photography, Photoshop explained, etc. Whatever your interest in photography, if we don't have it, we will get it.
