

## Waverly Area Junior Golf Program

One of the most unique aspects of the Waverly Area Youth Program is our scholarship program for youth golfers upon graduation from high school. In the past we have been able to set aside part of each registration fee and fundraiser dollars for youth golfers who have met the set program requirements for a minimum of 3 consecutive years. Scholarships have varied in amount from \$250 to \$980.

Due to increasing costs we must rely totally on our fundraising efforts to fund the scholarships we give out. We have generally held a golf tournament as our fundraiser. We will do so again this year. 100% of the profits will be split between the golfers who meet the program requirements this year.

It is a requirement for anyone who wishes to receive scholarship funds in the future to assist with the golf tournament or fill one of the other special needs of the program.

If you are interested in the scholarship program for your child, please complete the form below with your contact information so you can be notified of any of the information regarding the scholarship program and its requirements.

Golfers may also opt to practice on their own with another adult. In order to meet the requirements a golfer may turn in 3 course scorecards signed and dated by the player and someone from the golf course. Players over age 12 should play 9 holes, 10 to 12 play a minimum of 5 holes and under 10 should play 3-4 holes.
